The diagram shows a plan of a site labeled "Land East of Holt Road, Binford". The plan includes various symbols and annotations for planning purposes, such as building outlines, proposed tree planting areas, and other relevant details.

The plan is for illustrative purposes only and is not intended for detailed construction. These plans should be referred to by planners and others for the purposes of the full planning application. The source of the data is not specified.

The plan includes a legend with various symbols and colors indicating different types of land use, vegetation, and infrastructure. The scale of the plan is indicated as 1:200, and it is dated 2016/17/10.

The plan is produced by Boyer for David Wilson Homes and has an identification number of 16/03/003-2.
