Bellamy Roberts LLP (trading as Bellamy Roberts) is a Limited Liability Partnership registered in England. Reg.No.OC303725, Quality Assured Firm ISO9001 Certificate Number 3631/02, Ordnance Survey Licence Number 100017631

This drawing shall be read in conjunction with all other Engineering, Architectural, Landscaping details and specifications and all relevant Highway Authority Plans.

Prior to commencement of contract works, existing and proposed works and the highway must be surveyed and confirmed as such. Any drawings without support in the Highway Authority or the Saddlescombe Consulting Engineers declarations are not accepted prior to commencing the works.

Prior to commencement works commencing on site, the boundaries and limits of construction are to be confirmed with Saddlescombe Consulting Engineers. Saddlescombe Consulting Engineers shall be informed of all work being carried out within the limits of the proposed works. Saddlescombe Consulting Engineers are to be notified of any works not complying with the Highway Authority. All work is to be completed in the submission of the relevant Saddlescombe engineering statements and all relevant specifications.

Compliance to this plan will be monitored.

Bellamy Roberts Representatives require following checks during the construction works to the highway and site, to ensure the works are carried out in the highway authorities good faith criteria for health and safety, satisfying the minimum standards or specifications required by the Highway Authority.

The LOLER & PPE Act is to be complied with the LOLER & PPE Act issued by the Health & Safety Executive.

This drawing is to be used in conjunction with all other Engineering, Architectural, Landscaping, other drawings and specifications and all relevant Highway Authority Plans.

For Street Light details, see separate drawing.
